THE SACRED STAR *of* MILOS

- Synopsis -

Fullmetal Alchemist: The Sacred Star of Milos, a new feature-length adventure into the world of an international anime sensation.

A fugitive alchemist with mysterious abilities leads the Elric brothers to a distant valley of slums inhabited by the Milos, a proud people struggling against bureaucratic exploitation. Ed and Al quickly find themselves in the middle of a rising rebellion, as the exiled Milos lash out against their oppressors. At the heart of the conflict is Julia, a young alchemist befriended by Alphonse. She'll stop at nothing to restore the Milos to their former glory – even if that means harnessing the awful power of the mythical Philosopher's Stone.
