

LUNAcon...

...was the first ever regional SF convention to support Anime with a dedicated room, even back before the first U.S. Anime con appeared! We're proud to continue our tradition with ongoing video programming and panels.

WHAT ELSE?!?

Tabletop Gaming and LARPing - and plenty of it!

Masquerade - try your best to out-skit other costumers onstage!

Performances - including Rocky Horror, for some entertainment of a more local flavor!

Meetups - in the Con Suite, featuring complimentary snacks and drinks as part of your membership.

Parties - officially sanctioned, often themed, and with a party board to help you find where all the night fun is!

Dancing - our regular dance programming features club jams, demonstrations, and hands-on lessons.

WHERE IS IT!!?

The Westchester Hilton, a smidge Northeast of NYC

WHEN IS IT!!!

Next March, from the 14th to the 16th
